No: HOD/Ortho/25/2052-54

Dated: 09-12-2025

Subject: Attendance Report of Phase 3<sup>rd</sup> (Part-I) MBBS students batch 2022 in the department of Orthopaedics.

Sir,

This is to inform your goodself that the students of MBBS students of batch 2022 have not been attending orthopaedic classes. Most of the students have failed to attend either clinical or theory classes in Orthopaedics and have not participated in the internal assessment conducted after the clinical postings. It is pertinent to note that orthopaedic constitutes almost 25% of theory and practical marks in General Surgery and the students should have minimum of 50% in internal assessment for making them eligible for appearing university examinations. This trend of students not to attend theory & practical classes is continuing despite being informed verbally for the same.

Further this also affects the morale of the teachers who come to Medical College and find the classes empty. You are requested to inform the students and their guardians and also display their attendance & internal marks (copy enclosed) of the said batch on the college website.

Yours faithfully

Head of the Department  
Orthopaedics, GMC Srinagar

Copy to:

01. Principal/Dean GMC Srinagar for information.
02. HOD General Surgery for information and with the request that their orthopaedic attendance be added to the theory and practical attendance of the students once deciding their eligibility for participation in University examinations.
